

Athens Radio Club
Minutes
March 7, 2006

- 1, Vice-President Steve Hulsey, KI4 KPA, called the meeting to order at 7:30pm with introductions of the 21 members and guest present. President Bob Herrin, KE4JLL, then took over the meeting
2. It was announced that Tim, KG4GMS needs help installing a tower Saturday.
- 3 A number of races are coming up. Bob will place details on the ARC list-serve. We have been asked to assist with communications for the Twilight Criterion bicycle race this year. A lot of help will be needed April 28, 29, 30óespecially April 29.
4. Ed, N4ZRA, presented the ARES report. 40 man-hours of activity were reported last month. Ed passed out FEMA training CDís to everyone interested in taking FEMA trainingóespecially the 100 and 700 series.
5. Bill, K4DEX, will not be able to spear-head Field Day this year due to conflicting honeymoon. Another volunteer would be appreciated.
6. Ian Gray, W4ZFA, presented the program on Reactance, Inductance, and Impedance. Thanks Ian. The program will continue next month with actual measurements.
- 7.Meeting Adjourned.

Respectively submitted,
Phil Koehler, AF4TQ
Recording Secretary
